Travelers to Georgia will not want to overlook Tbilisi, one of the most developed cities in the Caucasus that's replete with charm, comfort and life. Far from the grim Soviet past of other former USSR towns, Georgia's capital is the perfect blend of new and old, a city that truly reflects Georgia's location in the heart of Eurasia. Anyone who holds a residence permit or visa to the EU, US and a handful of western nations are officially permitted entry into Georgia for up to 90 days. Ali and Nino the statue of Love, Batumi Observation deck next to the Jvari monastery is Tbilisi worth visiting? Avoid eating in tourist areas, where prices are nearly always inflated. Georgian history is phenomenal. Apart from being one of the cheapest countries to visit in Europe, Georgia is known for its stunning Caucasus mountains, including Mt. Kazbeg, one of the highest points in Europe and site of the Holy Trinity Church. Is it safe to travel to Georgia? If with a tour group, transportation will be provided for you. Many younger people speak at least basic English, and as is the case in most countries, you'll have a much easier time finding an English speaker in the capital and larger cities than you will in the rural areas. There's also a decent exchange office at the airport. The cost is just over 20 USD and applications are usually processed within 5 business days. Expect to pay well under a dollar for city transport and less than \$10 for most public cross-country travel. The official language of the country is Georgian, one of the 10 oldest languages in the world. Shetchmandy - special vegetarian soup made with flour, nuts and grains. Is Georgia visa-free or do I need a visa for Georgia? Those who aren't properly attired (men and women) will often be given large overcoats to wear while inside. There is a significant Muslim minority that comprises roughly 10% of the country's population. SIM cards may be at the airport but expect prices to be highly inflated. Average low-end prices are 7-20USD per night. Georgian Lari (GEL) is the only accepted currency in Georgia, but USD, Euros, pounds, rubles and Turkish lira can all be easily exchanged at banks and exchange offices in the cities. Winter descends in November, remains until March and is marked by cold, snowy weather. Kutaisi International Airport is a 3-4 hour drive from Tbilisi and is serviced by discount airlines, including RyanAir and WizzAir. Lobio's thick bean soup often eaten with corn bread. Further information regarding specific routes, flight times and ticket purchases may be found on the airline websites or by contacting our travel agents. Currency exchange offices can easily be found near tourist attractions, major hotels and shopping centers. But that shouldn't stop visitors from trying, for even learning a few words will endear you to the Georgian people. A basic knowledge of Russian will also be helpful during your Georgia travels. The country is likewise famous for its variety of breads - flat breads, stuffed breads, corn breads and cheese breads. In autumn the country is clothed in a tapestry of fall colors that will delight the eye. (For other currencies, transactions must be made at the banks). Apart from dairy products such as matsoni (fresh yogurt) and sulguni (cheese), Georgia has a great selection of vegetarian dishes: Khali - cold appetizers made with a combination of fruits, vegetables, chopped nuts and fresh spices. There are three primary mobile service providers - Beeline, Magti and Geocell, all of which provide adequate coverage and package options suitable for tourists. As with many nations in the region, the primary inconvenience you'll likely to experience is the quality of some of the roads outside of Tbilisi and the often erratic, irresponsible local drivers.
